SENIOR PASTOR'S REPORT

Dear LM church families,

We thank our God every time we remember you!

It has been a blessed year for all of us at LM Church.

Some of the highlights of 2022 are:

- We began the year by conducting a course on leadership 201.
- We also started a youth ministry gathering earlier this year. However, after taking a break during the summer months, we were not able to resume in the fall due to lack of volunteers who will look after the youth gatherings.
- Through the year, the Lord had added new families in our church. Glory to God.
- We also started o church corporate prayer in September.
- We successfully celebrated our 2nd Church anniversary in November!

As the year 2022 comes to a close, we thank our GOD and give HIM all the GLORY for everything HE has done in our lives and for LM Church this year.

Let us pray, that as a church, we will continue to work together to fulfill the mission of LM Church to “make disciples who will reach the world of Jesus.”

God bless us all!

UPDATE

LIGHTHOUSE MISSIONS MINISTRY PHILIPPINES

We are grateful that Pastor Wilner and I, finally had a mission trip in the Philippines from September 20 to October 11, 2022. We were able to visit our outreach in Palawan, Nueva Vizcaya, San Mariano-Isabela, Tumauni-Isabela, Sta. Maria-Isabela, Naruangan-Cagayan, Alcala-Cagayan, Pangasinan and La Union.

All the outreaches that we visited are blessed by God and though there are some challenges, we are honored with the leadership of our Pastors. As the Lord promise to His children, when we say Yes to Him, He will always be there every step of the way.

The Pastors and leaders are so also thankful for the leadership lessons they have received from us. We can see the hunger and enthusiasm of each attendee and these people have captured the vision of LMMPI – to multiply and plant churches.

We continue to meet with our Pastors and leaders through Zoom. We have a Phil-Can joint prayer meeting every Monday, which is facilitated by sister Jan, brother Raul and sister Elix. We trained our leaders to boldly share a devotion for 25 minutes before we pray the needs of all our churches locally and abroad. I do encourage everyone to join because you will be blessed to meet and hear their testimonies.

Additionally, we also have a monthly meeting via Zoom for all the main pastors on each outreach. On this meeting, we discuss things on how we can improve and expand our churches. We also listen to all the challenges they face and in return offer ways on how we can overcome these challenges together. Pastors are also provided a free curriculum for a four-year bible course through School of Ministry that they can access via online in their own convenience.

In the middle of this year, we met a friend in the Community Kitchen Program warehouse in Calgary who has a senior's group, and what they do is to collect used kids' clothes, school supplies and toys. They also collect used dolls that they washed, dressed-up with clothes they crochet. These dolls gave an overwhelming joy to all the children who received it. It is also an excellent tool to invite more kids to attend Sunday school in all churches at LMMPI.

Another accomplishment is the box of goods we send every month in different outreach provinces. Four boxes of goods every month our send out that helps our outreaches to their feeding programs, fellowship and Sunday gatherings.

We also have 20 selected youth between the age of 12 and 18 where I enjoy mentoring. We started back in 2020 and we named our group, "The Executive", they are all being trained to be a great youth leader. We have lessons and we meet via Zoom at 8:00 pm, Philippine time and 5:00 am Canadian time. We are on our 3rd year, and we are now called, "The Executive to the Next Level". Everyone is encouraged to serve God in their own churches while they continue to pursue their careers.

Currently, we have 13 university students in our Executive and we commit to give them a one-time love gift to support their education. This became possible because of your faithfulness in your tithes, offering and prayers. I always mention that you're a part of their success. Thank you, you're doing a great job church!

We need to pray for them always and I urge you to continue to share all the blessings we have here in Canada. You are all a great co-servant in the house of God.

"And let us not be weary in well doing: for in due season we shall reap, if we faint not." Galatians 6:9 KJV

GOD BLESS US ALL.

BREAD BEYOND BORDERS

Last October 8, 2022, in partnership with Rotary Club of Calgary Millennium, Rotary Club of Calgary East, we officially opened a water filtration system in Ili Norte, San Juan, La Union, Philippines where soon LM main church building will rise.

This filtration will serve our church members, poor families of surrounding communities and schools who continually face the problem of having to use and drink dirty water that compromise the health of many specially our children and elderly.

It's been said that every crisis presents both obstacles and opportunities. Bread Beyond Borders is so proud of our team of volunteers who have forged ahead this past year, enduring the obstacles with patient perseverance, and embracing every opportunity to minister and use their gifts. Bread Beyond Borders never stopped to deliver goods and help to our families. We thank God for all the strength and guidance He gave us and we are looking forward for more opportunities on the coming year.

MINISTRY REPORTS

WOMEN'S MINISTRY

We started great this year at Fashionista Women's Group. A group of women who are brave, smart and beautiful as you all witnessed last anniversary. We are one-of-a-kind women of LMC church.

We meet every other Saturday every month, it's just like a mini service but more on testimonies. We have fun together every time we fellowship and this is a great time for all women to encourage one another and be filled by the Holy Spirit.

This year we have a big accomplishment, we raised money for 7 folding tables and 7 chafing dishes, stored in our house and I give you all the permission to use it if you have a big function for your family but don't forget to sign in and out to Sister Mercy as she is the head of the hospitality ministry. We purchased fashionista T shirts as well and everyone look adorable. GREAT JOB FASHIONISTA, so proud of you!

If you are single at the age of 20 without any group yet.... you're all welcome to our fantastic group.

Last January to November we did a series of 11 lessons entitled:
WOMAN WITH GODLY PURPOSE

1. To be His mouthpiece
2. To be His workers
3. To be the mother of the nation
4. To be His song
5. To be His encourager
6. To be His model
7. To be His giver
8. Watching and Looking
9. Self Evaluation
10. Looking Beyond
11. Live without end

It's super interesting how everyone grew up in their spiritual life. Giving them the chance to share the word of God, praying with some concern, we talked more with our families, and they felt that they are not alone in that situation. To this day, we have 12 fashionista groups including in the Philippines and we all study the same lesson.

Last year we had a fashion show on our Christmas Zoom fellowship and it was a super blast of joy. Thank you for the generosity of all our LMC Fashionista giving treats to them and some prizes as well. You're just an amazing group to work with, and you make my job easy to handle as I am not only attending 3 or 4 ministries but as a Pastor's wife it's all around. Thank you for responding right away every time I need help.

Now this December 9 we will have another zoom party, and everyone is arranging how they can join in with better internet connection. Pls. pray for this event.

For the last part, the year 2025 our goal will be to have a big conference in the Philippines. Everyone is very, very happy and excited to make this conference come to pass. We're looking forward to having 200 women to join this conference. I want the office of LMC to partner with us, bring us to prayer and find a way to help us financially. We are started to pledge last September, so please keep your heart open, and be a part of this beautiful goal. Let us show our women that we valued them, that on the other side of the world there is a group of people who really show the LOVE of Christ through US.

Our women deserve the best, it's your opportunity to give back a big SMILE to these mothers who sacrifice a lot to their children our future leaders at LM churches. They are the best workers in the vineyard and let their dreams come to pass. I remember one question about the competition of the Fashionista beauty queen, the host asks who do you think will have the gold medal in Women's Perspective? And this beautiful contestant didn't think a second. She answered THE MOTHERS.

You're doing an incredible job, Fashionista. I am so proud of you all.

Proverbs 31:30-31

"Favour is deceitful, and beauty is vain: But a woman that feareth the LORD, she shall be praised. Give her the fruit of her hands; And let her own works praise her in the gates."

God bless Fashionista!

MEN'S MINISTRY

Activities: Men's Gathering every second Saturday of the month and we moved our meeting from 9 am to 10 am instead.

God is good and is moving in the midst of our group every meeting. On our meeting we everyone has to share the word of God and will teach a short topic and make their own teaching. In this way, it is a good practice to start having the confidence to teach the Word of God and I believe this is one way of developing the gift of God.

Our goal for next year is to invite and encourage our friends to attend our meeting specially those unbelievers and we're praying that every man in our church will join our Men's Meeting.

We will commit our partnership with the church by promoting our Men's Meeting and activities we have.

God bless!

PASTOR ERWIN RAGUINDIN

GUEST SERVICES MINISTRY

The guest services did not do a separate activity as a group, but we joined every activity of the whole church. We consider our accomplishment in guest services is that we tried our best to greet every people that comes in the church and that we don't miss anybody. We try our best to make everybody feel welcome and comfortable. We also made sure that new attendees are given the information form to fill-up.

Our goal this coming year is to be more intentional in getting the information of all new attendees so we will be able to follow them up, because most new people who visited the church did not give back the information form.

We kindly ask the Pastor's office to help us in the follow up.

Thanks to all who help us greeting our visitors and making everyone feel that they are part of the LM family. God bless

BETTY PAGALING

HOSPITALITY MINISTRY

Lighthouse Missions Hospitality Ministry has served 100 individuals or 21 families in its community feeding program as of November 2022. Of 100 individuals, majority are moms with kids ages from toddler to teenager. To date, there are 5 dependable devoted volunteers who participate in service passionately - from pick-up, preparation and logistics. One of the major concerns we have identified in this project is the food waste and leftovers. Which we are able to manage by providing boxes for takeaways. This one initiative allowed us to maintain minimal to 0 leftover every program.

Our goals for next year are as follows:

1. One of our goals is to encourage more volunteerism in the kitchen. We believe by getting more volunteers, the work becomes easier and fun.
2. Another goal is to ensure that food are more nutritious and delicious to ensure that none would be left of the table.
3. A delicious meal becomes extra special on a nice table setup. We'd like to have a nice but affordable table setup to delight our guest during the program.
4. We are also thinking of a Takeaway Station to be setup after the end of program to help our guest for their take home items.

We'd like to ask the Pastors' Office help thru:

1. Announcement and encouragement of volunteers to join our Hospitality Team.
2. Table Setup materials, takeaway station supplies such as ziplock, foil, and disposables.

Our team is grateful for how God bless us with generous families. Thank you.

MERCY NANA

CHILDREN'S MINISTRY

Ministry Co-workers are as follows:

1. Anna Reyes
2. Ghing Anacta

For the year 2022, we have added new kids from new families. We grouped the kids according to their age bracket to meet their interests and abilities. We have 2-3, 4-7 and 8-12 years old. Our activities include watching bible stories, reading the bible, arts and crafts, coloring/painting and physical games. We always have discussion questions after doing an activity and each of them are encouraged to talk for us to assess their understanding of the topic. Gospel is also presented and some of them accepted Jesus as their personal Lord and Saviour.

We had summer day camp last August and many kids joined us including those who live around our church building. We also did some presentations to help the kids develop their confidence and their talent in singing, dancing, and acting. They are always encouraged to lead the prayer before and after our class.

For 2023, we are looking forward to having more kids and more workers who wants to serve God through children's ministry. We are planning to train bigger kids to be an assistant teacher to help them be more responsible and to encourage them to be a good role model to the small kids. We also want to make our activities more fun for the kids to make them more excited and inspired so they can also encourage their parents to come every Sunday.

ROWENA JANE GOMEZ

PRAYER MINISTRY

Regular prayer meeting during Wednesday at 6pm (LMC) and LMMPI on Mondays at 6:30/7:30 (depending on daily light saving).

Our goals for next 2023 are as follows:

- More attendees for the prayer meeting particularly at LMC.
- Leaders and volunteers who are free during Wednesday at 6pm are encouraged to join. The more who are agreeing in prayer the better.

"Again, truly I tell you that if two of you on earth agree about anything they ask for, it will be done for them by my Father in heaven. For where two or three gather in my name, there am I with them." Matthew 18:20

"A person standing alone can be attacked and defeated, but two can stand back-to-back and conquer. Three are even better, for a triple-braided cord is not easily broken." Ecclesiastes 4:12

- To reach out more or inform the congregation during food fellowship about the prayer ministry.
- Disseminate/distribute zoom link; ask for their Facebook account
- LMMPI's Pastors and leader to encourage the congregation to attend the prayer meeting or to send their prayer requests. Pastors can preach the benefits of prayer meeting during Sunday service.

We ask the Pastor's office help to reach our goals thru:

- Give more emphasis during the announcement of the prayer meeting.
- Welcome committee can give a piece of paper to write down prayer requests.
- LMMPI Pastors to preach the benefits/reasons when attending prayer meeting.

MEDIA MINISTRY

As I reflect on this past year and all the changes we've had to navigate as a media ministry, I am filled with an immense sense of gratitude for my team. Though it has been hard for our team to explore our options to live stream our services due to limited budget and expertise, I am proud of the ministry team who never stop to find options to be able to live stream our worship services in an inexpensive way yet brings a standard quality of both audio and video to the social media.

We believe that LMC must tell stories in creative ways and lead God's people in worship both in person and online. I'm also grateful for the support of our congregation who have been patient and encouraging as we navigated the live streaming practices together.

Our constant focus has been to do our best to facilitate meaningful experiences of worship in God's presence, in new and innovative ways, while trying to provide familiar "touchstones" throughout these uncontrolled times.

We ask for your prayers for our team to expand our knowledge regarding production and that God will send us new members who is willing to serve thru media ministry.

More power to LMC.
