# YOUR GENEROSITY MAKES MINISTRY HAPPEN

Thank you for all your support within the past year as we fulfill our vision. Here are our highlights for this year.

## BIRTH OF LMC CALGARY

- We started LMC here in Calgary on November 15, 2020. Glory to God.
- We started with 12 families and now were counting and growing.

## 5 ADDITIONAL CHURCHES/ OUTREACH

- We added 5 more churches/outreach in 3 different provinces of the Philippines.
- Three churches in Palawan under Pastor Paul Tumulak, another one in Cagayan Valley with Pastor Elladia Vallejo, lastly one in Isabela under Pastor Tom Canceran.

## CHURCH BUILDING

- This year we started a new church building in Isabela and Nueva Vizcaya, including our main church in La Union, that will include a church, office, pastoral house and bible school.

## 48 BOXES OF GOODS

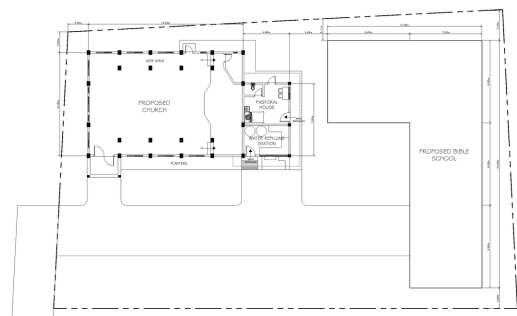

- We sent 48 boxes of goods to our churches/outreaches in 9 different Philippine provinces.

## OVER 3,000 APPLES

- We gave away over 3,000 apples in all our churches/ outreaches in the Philippines for our Annual Christmas apple drive.

## PASTORAL HOUSE & WATER FILTRATION

- We also build a pastoral house and a water filtration building in La Union. The water filtration system will be installed in the fall as the funds come. It will bring clean water to hundreds of poor families. It will benefit the children especially because it will eliminate water borne diseases coming from the dirty water that they are drinking. Rotary Club of Calgary Millennium donated \$10,000 towards this project which was used to build the building. Please help us raise \$6,500 for the water filtration system.

## BRIEF HISTORY OF Lighthouse Missions Church

Year 2004 when Pastor Wilner's family went back home to the Philippines for a vacation. Surprisingly, God turn their holiday to a mission trip. They felt the need of the people and God clearly spoke to them to start a fellowship.

Their first service happened under a mango tree with a good crowd. When they came back to Canada, God spoke to them again to follow-up the mission and was reassured that God will provide as they continue the mission. They trust and obey God wholly, now LMC have 34 churches in 9 provinces of the Philippines.

**OUR PURPOSE**

# LIGHTHOUSE MISSIONS MINISTRY PHILIPPINES

by Pastor Leonora Pagaling

All churches are flourishing, and we continue to mentor and lead them through Zoom meeting every Monday. We also hold a monthly meeting with all our main pastors for reporting, to address all concerns in every location and to pray for all their needs. We believe that building relationship is very essential to any ministry. So, we continuously walk with them in their spiritual lives, encourage them, teach them sound doctrine and admonish them if necessary.

Every month we send four boxes to four different churches/outreaches to help them out not only for the ministry but for their family's needs as well. Pastors receive the 45% gross church tithes and offerings to support them financially. In addition to this, LMS sends a monthly allowance for all main workers and leaders to add for assistance for their transportation to visit outreaches and to reach out to families who need counselling in their area.

**Praise God for all the faithful leaders of Lighthouse Missions Ministry Philippines.**

We know that faith comes from hearing and believe that we need to deliver our service in-person and online clearly and smoothly to be effective in reaching out to the world.

Though there has been a continuous challenge delivering our live streaming through our Face book page due to the basic equipment that we have and limited knowledge, we aim to do our best and learn from the mistakes we have.

**Our goal is to recruit more experienced media member and expand the team's knowledge to minister technically, physically and spiritually, so we can impart the message to the hearts and ears of the Body of Christ.**

## GUEST SERVICES

by Anna Reyes

Since November 2020, we have limited attendees due to Covid-19 and we make sure to follow safety guidelines. For safety measures, we provide face masks, and hand sanitizer upon entry. We also assigned attendees to their reserved seats to maintain physical distancing.

Ushers are responsible for collecting names and numbers of all attendees, so we can be able to contact them if needed due to Covid case. We also sanitized all chairs, tables and collect garbage after the service.

Our team is assigned to decorate our bulletin board on every occasion. In addition to this, we provide some souvenirs to our families to make them feel special.

According to AHS, Covid restrictions will be lifted next month. **and surely we will be needing more members who are willing to commit to our church through guest services.**

As of now we only have two active volunteers:

1. Mercy Nana
2. Betty Pagaling

# CHILDREN'S MINISTRY

by Jane Gomez

Since we started the children ministry, we have a total of 14 children attended our class. Due to the pandemic, we have an average of 3-5 kids in every meeting because we have a limited number of people allowed to come in the church to follow the government guidelines.

The children are given rules to follow such as no fighting, be nice to one another, no running and kicking the ball and listen/follow teacher's instructions. We also start our activity with a prayer to be led by one of the kids. The activities we do are watching bible stories in YouTube, coloring, singing, games, sharing thoughts about certain topics, staying in the playroom, etc. They also participated in one of our praise and worship where they sang and danced "One Way" song. We are looking forward to sing "Jesus Loves Me" as a special number during our church service.

As of now, we only have two active members in the ministry and since the restrictions are to be lifted next month, **we are expecting more children to come in the church, and because of the growing needs, we are now looking for someone who are passionate of children so we can divide the kids according to their age bracket to meet their needs.**

I listed below all the names of children attending our Sunday school and names of active volunteers.

Children's names:

1. Ethan
2. Anika
3. Mia
4. Hailow
5. Julianne
6. Faith
7. Ruah
8. Koa

## WOMEN'S MINISTRY

by Pastor Leonora Pagaling

Blessing to all in Jesus' name!

The year 1994, Pastor Wilner and I found Eastside City Church as our home church until God called us to plant a church last November 15, 2020. At Eastside City Church, we are responsible to look after the Filipino Group and at the same time the ECC recognized us as their missionary in the Philippines. The year 2002 after much prayer, I lead the Filipino Women's group and the faithful members are being trained and mentored. This group is generous in their giving and faithful in their prayer meeting and bible study both once a week. Everyone is being raised to be a leader, they prepare their own topic and share the word of God to the group.

Year 2020, we continue to have this group but God impress me to give a new name to it called, Fashionista. Fashionista Calgary expand its territory to the Philippines and now we have, Fashionista Isabela and Fashionista Cagayan. All the groups formed by Fashionista are very much involved in the ministry, embracing the vision and sharing blessing.

We organize fundraising for different kinds of projects in the Philippines. One of the big projects we did is to form a youth group we called, Executive. We picked two young people ages 12 to 18 years old in every church to be mentored and raise them to be the future leaders of their church.

This group of women sacrifice to save extra finances to help them out, we raised funds for:

- New bibles for youth leaders for studying and reference.
- Several cell phone for youth and leaders.
- Internet sticks for better data connection.
- Supported a pilot project of Executives for children's new footwear, giving away 700 slippers for children.

And just recently, with the support of our church we offered them a Scholarship to support their education.

Great job Fashionista!

**And I believe, as we continue to be faithful and to be the best role model, we encourage other provinces to embrace and open their own Fashionista Women's Group in the future. Our goal this year 2021, is to "Let Your Vision Come To Life", we started to study and share more on how we can stir up the dreams and vision of a woman in their household.**

More power to all faithful members at Fashionista Women's Group. God bless us all!

God is blessing us amazing things within the Men's Ministry. Everyone is doing their part to excel in every area of their lives as we learn and develop our personal relationship with God.

Recently, we started our bible study based on a book titled, "A Call to Excellence". As we discuss this book, our goal is to explore every individual's gift and to develop our traits for Christian leadership. We assigned each chapter to each member and everyone is expected to set an additional time to study their lesson and seek God earnestly before they share it to the group.

We believe that the leading of the Holy Spirit is within us whenever we meet. Our meeting is every 1st and 3rd Saturday of the month at 9:00 am in the church and everyone is faithful in their attendance.

**Some of our plans during this summer are:**

**July - Outdoor barbecue with the family**

**August - Floating trip/Rafting**

**I believe everyone should give their best in the ministry that God has entrusted us.**

# FINANCIAL REPORT

by Lito & Cathy Rebuldela

## Treasurer's Report

The total revenue of Lighthouse Missions Society (LMS) for the fiscal year April 2020 to March 2021 was \$99,000. This amount was 27% higher than the revenue for the prior fiscal year of \$78,000.

The total revenue is broken down into \$88,000 donation income, \$9,000 gifts from other registered charities like Eastside City Church, United Way & Canada Helps and \$2,000 income from fundraising.

The donation income of \$88,000 this fiscal year was 45% higher than donations from the prior fiscal year. This increase was mainly due to the launching of the Lighthouse Missions Church (LMC) in November 2020. Donation income since the launch of LMC averaged around \$12,000 per month; this amount doubled the monthly average of \$6,000 for the ten - month period prior to the launch of the church.

The total expenses for the fiscal year was \$71,000; this amount was higher by 11% compared to the total expenses of the prior fiscal year. Around 56% of the total expenses this year was attributable to the opening of LMC consisting of salaries, rent, equipment and software. Mission expenses, mainly provided to Lighthouse Missions Ministry Philippines Inc. (LMMPI), accounted for 33% of the total expenses this fiscal year.

Last year, mission giving to LMMPI accounted for 70% of total expenses. Out of the 70%, 44% or \$28,000 was used to finance the ongoing construction of a church building, office and school for LMMPI.

We praise the Lord for his faithfulness to LMS.

Thank you for the privilege of serving as Treasurer of LMS for the past four years. May the Lord continue to bless LMS and LMC.

## OUR GOALS FOR 2021

- To raise more committed leaders and participate to the success of our ministry.
- To find a Youth Leader who will guide and mentor our youth.
- To encourage more families to join our ministry as God expand our territories.
- To help raise funds for our main church building in the Philippines which will include a church, office, pastoral house and bible school.

## **PASTOR WILNER & LEONORA PAGALING**

FOUNDERS OF LMS, LMMPI & BBB

**We want to acknowledge every family represented here at LMC. We can't even imagine how are we going to fulfill the calling that God has for us as a church without your faithful support to the ministry.**

As we start a new fiscal year 2021-2022, we thank our GOD and give HIM all the GLORY for everything HE has done for LMC during our last fiscal Year. It was another Blessed year for LMC as we have seen the Lord work in our midst in a Mighty way.

We were not able to travel to the Philippines because of the travel restrictions due to the pandemic. However, we have an ongoing communication with our Pastors and Leaders in the Philippines, thanks to the technology. Pray that the Lord continue to provide finances for us to maintain and sustain our community programs in the Philippines. To date, LMMPI has more than 30 churches and outreaches in 9 Philippine provinces. And God is continually growing us. He is opening the doors before us for more churches and outreaches in different place, so let us pray for more ministry workers because as we grow, we need more committed workers.

We would like to thank our Pastors and workers for all their hard work, our brothers and sisters in Christ in the Philippines and Canada, our supporters, and everyone who have prayed for us. God bless us all and may we serve the purposes of God in our lives.

Faith, Hope & Love,

Pastor Wilner and Leonor
